

Dear alpaca breeders of Sweden!

The Finnish alpaca and llama association is having an autumn show with halter and fleece classes (as a part of a big countryside fair, Elma-messut) on the weekend of 10th-12th November. **We would like to invite you to enter fleeces (huacaya, suri and wooly llamas) to the show!** The show will be at Messukeskus Expo and Convention Center in Helsinki, and will be judged by BAS judge **Liz Barlow (UK)**. The fleeces will be judged on Friday, halter classes held and all the winners awarded on Saturday. We are also inviting breeders from Estonia to enter their fleeces in the show.

The entering fee is 10€ per fleece, and the owner is responsible for the postage for both directions. If you send the fleeces by post, they should be in Finland on Wednesday the 8th November at the latest. **You are of course more than welcome to attend the event yourself too**, and in that case if you prefer to bring the fleeces with you, they should be at the Expo Center on Friday the 10th at 10 o'clock.

For more information, please contact Tiina Karhu tiina@alpacoborealis.fi. Deadline for the registration is the 13th October.

Hoping to see some amazing Swedish fleeces in the show!

Best regards,

The Show committee of the Finnish Alpaca and Llama Association
