

Show classes for The Swedish Alpaca Society's International Fleece Show

Age classes

Junior:	6 – 12 months
Yearling:	12 – 24 months
Adult:	24 - 48 months
Senior:	48 months or older

Colours

Should you have difficulty judging whether your alpaca is, for example, dark fawn or light brown, please report to the darker class. If the choice is wrong, the alpaca can be moved to a brighter class on the exhibition day. In order to avoid misplacement in the various classes, dark animals will be displayed before light.

Classes

Exhibition order and class division are preliminary. The final form will be determined in consultation with the judge when we know the number of fleeces entered. With less than three registered in a class, it combines with the class above in the same colour. The judge decides if a champion is awarded in each respective class.
