

INFORMATION FOR PREPARING YOUR FLEECE

1. Prepare your fleece carefully by "skirting" to increase your chances for good placement. Make sure to pack it in A paper bag or roll of paper. do not use a material where the fleece are at risk of becoming static. Fold it once. Then put it in a cardboardbox with an identification card that you can find on the website for each fleece.
2. Fill in the online entry form linked on our website. The age of the fleece at the latest shear date determines which class the fleece are put in.
3. Applications and fees must be received by the association no later than 2021-10-03. The entry fees are 25 Euro/fleece for member 35 Euro/fleece non members. See account information below.
4. Print out the ID-card and fill in the information and put it in the bag with each fleece before packing the fleeces.
5. Go to your postoffice and pay a return note with your address, print it and put it in the box. This allows you to get your fleece back after the show. If there is no return note in the carton then we assume that the fleeces are picked up or given to us.

When you have checked the list above, you are ready to send the the fleeces.
The packages are sent or handed over to
